

Pool or Spa Opening Inspection Request

Dear Owner/Operator:

Ontario Regulation 565/90 (Public Pools) and Ontario Regulation 428/05 (Public Spas) made under the Health Protection and Promotion Act require operators of public pools or spas to provide written notification to the Medical Officer of Health of any opening or reopening (if closed) for more than four weeks.

To assist you in complying with the Regulations and to avoid delays in opening your facility, please fill out the form below and mail, email or fax this letter to your local Health Unit.

Prior to the opening inspection, all equipment should be in place and operational, all tests performed and documented and all alterations or repairs completed.

If you have any questions, please feel free to call 705-721-7520, or 1-877-721-7520, and ask for the Public Health Inspector you wish to speak to.

Yours Truly,

Brenda Armstrong, CPHI (C), BASc, MPH

Manager – Safe Water Program

Environmental Health Department

Please fill out the form below and return a copy of this letter to your local Health Unit office.
