## REPORTABLE DISEASES TOOLKIT

Information for  
Health Care  
Professionals

### Communicable Disease Reporting

Timely reporting of communicable diseases is mandated and essential for their control. If you suspect or have **confirmation of the following specified Reportable Diseases or their etiologic agents, (as per Ontario Regulation 559/91 and amendments under the Health Protection and Promotion Act, R.S.O. c.H.7)** please report them to the local Medical Officer of Health.

Note: Diseases **bolded** (and influenza in institutions) should be reported immediately to the Medical Officer of Health. Other diseases can be reported by the next working day by fax, phone, or mail.
