Vaccine Pick up during Job Action 15 Sperling

Attention: General Practitioners, Nurse Practitioners, Pharmacies, Long-Term Care Homes, RVH Pharmacy

Date: December 12, 2013

Our 15 Sperling Drive office location in Barrie is currently experiencing picketing at the entrances to the parking lot. Although this job action is directed at the CCAC and not the health unit, it is impacting on the ability of our staff, clients and partners to access our parking lot.

While the job action is in place and when picketing is occurring at our 15 Sperling Drive office in Barrie you may experience a brief delay when picking up vaccine.

Thank you for your understanding during this time. We will notify you once the job action is resolved.

For additional information please call our Vaccine Preventable Disease Team at 705-721-7520 ext. 8806
