Procedures

1. Human Resources will enroll all eligible employees in the fringe benefit package.

2. Human Resources will monitor the eligibility criteria for enrolment in the OMERS pension plan and advise affected staff accordingly.
3. Human Resources will ensure all benefit changes are communicated to staff affected and the appropriate carrier is notified.
4. Employees are responsible to inform Human Resources of any change to their covered dependants and beneficiary.
5. Every employee will receive a handbook detailing their fringe benefit package and are responsible to know the coverage available.
6. Claim forms may be obtained directly from the benefit carrier's website or the Agency's intranet. It is the employee's responsibility to complete forms and submit all claims to the insurance carrier. Claims may be submitted in an envelope marked "benefit claim" and directed to the Barrie office reception for mass courier every Friday. If mailing a claim, the employee is responsible for the postage.
7. Employees may contact Human Resources or the benefit carrier directly with questions on the benefit plan.
8. Employees will report any benefit carrier service concerns to Human Resources who can assist in troubleshooting.
9. Human Resources will conduct a fringe benefit review a minimum of every five years or as deemed necessary by the Agency.
10. Employees on approved unpaid leave of absence will have access to health and dental benefits to the end of the month following the month the leave begins. The option to continue extended health beyond this date exists provided the employee pays the full premium. Long Term Disability (LTD) and life insurance benefits will cease the date the unpaid leave begins. Benefits which are cancelled at the onset of the unpaid leave of absence or at the request of the employee will be reinstated on the date the employee returns to work.
11. The full fringe benefit package will be maintained and premiums paid by the employer while the employee is on sick leave and short-term disability.
12. The employer will continue to pay benefit premiums for the employee and their dependants (single or family coverage) for extended health, vision care and dental coverage while on LTD or WSIB up to a maximum of 12 months. After 12 months, the employer will pay benefit premiums for the employee only for extended health, vision care and dental benefits. Employee on LTD or WSIB beyond one year will have the option to maintain family coverage provided they pay the premium difference between single and family. While on LTD or WSIB benefits, life insurance premiums are waived by the carrier and coverage is continued.
13. Employees on pregnancy and parental leave, will maintain their full fringe benefit package and the employer will pay the premiums.
14. Employees who retire and are in receipt of pension and who were in receipt of benefits prior to retirement will be offered the option to continue on the employer's extended health, dental, and life insurance plan at a 50/50 cost-shared amount until the age of 65.
