<p>Paying for your own NRT and prescription medications</p>	<ul style="list-style-type: none"> ❖ Talk with your HCP and ask if prescription medications such as Champix or Zyban are right for you ❖ NRT is available in patch, gum, lozenge, inhaler, and spray ❖ Read all directions before use ❖ Always check expiry dates ❖ Generic and name brands are equally effective

Nicotine Replacement Therapy (NRT):

- Patch, gum, lozenge, inhaler, and spray
- Available over the counter in pharmacies at a cost and does not require a prescription

Prescription medication is also available:

- Zyban also called Bupropion (the same as Wellbutrin)
- Champix also known as Varenicline
- Both require a prescription from a doctor, nurse practitioner, pharmacist, or dentist
- Eligible people can receive the prescription drugs no-cost
