

# School Protocol When COVID-19 Outbreak is Declared

**\*Note: The following process is intended as a general guide and may be adapted based on the circumstances under which the outbreak is declared.**

The Simcoe Muskoka District Health Unit (SMDHU) determines two or more lab-confirmed COVID-19 cases in students/staff/visitors in a school with an epidemiological link within a 14-day period where at least one case could have reasonably acquired their infection in the school (including transportation and before and after school care), or as determined by public health.

## SMDHU declares a COVID-19 Outbreak
