

ATTENTION

If you have at least one of the following symptoms:

- fever
- chills
- new or worsening cough
- shortness of breath
- sore throat
- difficulty swallowing
- cannot smell or taste
- unexplained muscle aches
- altered mental status
- croup (symptoms of “barking” cough)
- pink eye
- unexplained/prolonged headache
- digestive issues (nausea/vomiting, diarrhea, stomach pain)
- runny nose, congestion (not related to seasonal allergies or underlying condition)

OR

If you have been in close contact with someone who was sick or is a confirmed case of COVID-19 in the past 14 days.

PLEASE DO NOT ENTER, go home and self-isolate. Testing is available. Call Telehealth or your health care provider if you are concerned about your symptoms.
