| Position: | TECHNOLOGY SUPPORT COORDINATOR | | Number of Positions: | 1 |
| Classification: | FULL-TIME | NON-UNION | FTE: | 1.0 = 35 HOURS PER WEEK |
| Department: | HUMAN RESOURCES & INFRASTRUCTURE | | Program: | INFORMATION TECHNOLOGY |
| Location: | BARRIE | | Anticipated Date of Hire: | JUNE 5, 2023 |
| Salary Range: | \$44.09 – \$49.35 HOURLY | | Posting Date: | APRIL 26, 2023 |
| Criminal Record Check: | Required <input checked="" type="checkbox"/> YES <input type="checkbox"/> NO | | Vulnerable Sector Screening: | Required <input checked="" type="checkbox"/> YES <input type="checkbox"/> NO |

Purpose of Position:

The Technology Support Coordinator provides leadership and coordinates the activities of the technology team to address the general IT support requirements for a group of 400+ users in a Microsoft Windows network environment (laptops, PC, and mobile technologies). This includes customer service and response in relation to agency technologies and activities of the technology help desk; user creation and access rights, software installation, general network trouble-shooting and new system setup for new employees; establishing specifications, quoting, recommendation to purchase and signing for receipt of all computer hardware and software purchases and planning and coordination of computer deployment. This position works with the technology team to establish and maintain standards for operation and maintenance of agency systems and is responsible for coordinating the functions of the technology team to address priorities in relation to customer support and help desk services.

The position also acts as a consultant and resource to the agency in the monitoring, configuring, supporting and administering of onsite and cloud network services such as Office 365, Microsoft Hyper-V, SAN, Firewall, Active Directory, etc. and provides leadership for assigned technology related projects. This involves providing the agency with knowledge, expertise and guidance on the design, development, testing and implementation of new technologies.

See Technology Support Coordinator position description for further details of the Technology Support Coordinator role.

Responsibilities:

Coordinates IT support for 400+ users in a Windows Environment, including the establishment and monitoring of policies and practices for efficiency and security;

Achieve service, quality and productivity related to customer support through the Agency Help Desk, including functional supervision of Help Desk staff;

Inventory Management of computer hardware and software assets;

Contribute to team and agency effectiveness.

Specific knowledge, skills, abilities:

- Advanced knowledge and demonstrated experience analyzing business requirements, researching best practices, designing, and implementing IT systems and networks to address business needs.
- Advanced knowledge and demonstrated experience applying best practices in customer service and technology call centre applications.
- Advanced knowledge and demonstrated experience supporting Microsoft client and server operating systems.
- Advanced and progressive computer software skills in MS Office.
- Advanced organizational skills and the ability to set priorities and manage conflicting demands.
- Advanced problem solving and analytical skills in relation to hardware and software trouble shooting and support.
- Advanced time management skills and the ability to balance work priorities and multiple project demands in order to meet project objectives and deadlines.
- Advanced organizational skills and the ability to set priorities and manage conflicting demands of multiple priorities.
- Advanced oral communications skills as the customer service liaison requiring negotiation and conflict resolution skills.
- Advanced ability to work under pressure and within tight timelines.
- Advanced ability and demonstrated experience working independently and as a member of a team.
- Intermediate oral communications skills and demonstrated experience in presenting technical concepts and information to individuals and groups for the purpose of training, decision making, defining an approach, setting priorities and timelines.
- Intermediate project planning skills and demonstrated experience in the development of project goals and objectives, working plan and timelines as well as coordination of efforts to implement project plans.
- Intermediate written communications skills and demonstrated experience in researching and creating proposals for new technologies or approaches, creating technical documentation to support roles and responsibilities and communicating information and concepts informally via email.
- Basic facilitation skills and demonstrated experience facilitating project planning, problem solving and priority setting and implementation with a small task group.
- Basic supervisory skills, including recruitment, selection, and performance leadership.
- Valid driver's license and reliable vehicle or the ability to travel in a timely and efficient manner to locations within and outside the health unit district.

Education:

Three-year College Diploma in Information Technology or related field, or equivalent as determined by the Department Vice President, PLUS a relevant IT Certification (Microsoft, Cisco, etc.)

Related Experience:

- 3-5 years' experience as a network administrator including the analysis of system and business needs in relation to technology; network design, implementation, and maintenance; helpdesk.

Deadline: 4:00 pm, TUESDAY, MAY 09, 2023

This is an internal non-union posting. External applicants may be considered when the internal recruitment process does not result in a successful internal candidate.

For further details: refer to the **Technology Support Coordinator** position description.

For both internal SMDHU applicants and external applicants interested in applying for this position, please forward your completed application to Human Resources at hr@smdhu.org referencing posting **#23-38** in the subject line. Your formal application consists of submitting both an up to date résumé and a separate cover letter including specific examples in detail of how you meet the minimum requirements and qualifications of this position.

The cover letter is to clearly identify:

- How your education meets the educational requirements listed.
- Specific examples of how your experience meets the experience requirements listed.
- Specific examples of how your experience meets each of the minimum requirements of the job listed.
- Specific examples of how your education and/or experience meet each of the preferred assets listed in this competition.

Applicants who fail to satisfactorily provide all of the detailed information requested above in their cover letter will be deemed to not meet the minimum job requirements listed in this job posting. Accordingly, their application will not be considered in this competition.

Following submission of your e-mailed cover letter and resume, you will receive a standard reply e-mail confirming your e-mail was received by SMDHU. If you do not receive this confirmation e-mail your electronic application was not received and you will not be considered. Also, if SMDHU's confirmation e-mail is dated/timed after the posting deadline, your application will not be considered as you would have missed the application deadline.

If selected for an interview, candidates may be assessed through testing and/or by providing a presentation/portfolio highlighting examples of their work that is applicable to the position being applied to.

Up to date COVID-19 vaccination is an essential requirement of the job. An individual is "up to date" on their vaccinations if they have received all doses recommended by the Ontario Ministry of Health in their primary series of COVID-19 vaccine, including relevant booster doses based on established eligibility criteria and having received the final dose of the COVID-19 vaccine at least 14 days ago. SMDHU is an equal opportunity employer. The possibility of accommodation will be considered during the hiring process.

The Simcoe Muskoka District Health Unit is an equal opportunity employer. Accessibility accommodations are available for all parts of the recruitment process upon request. Due to the number of qualified applications we receive, only those selected for an interview will be contacted. All candidates must be legally entitled to work in Canada.
