Due to a change in the Simcoe Muskoka District Health Unit's weekly delivery day from the Ontario Government Pharmacy (OGP), we have had to alter the timelines for processing vaccine orders.

On a permanent basis, Order/Pick-Up Day is being changed from Tuesday to Wednesday.

Vaccine orders received by Wednesday at 3:00 pm will be ready for pick up in your specified health unit office by the following Wednesday. The fax numbers and ordering process remain the same.

Order forms can be found on our website at <http://www.simcoemuskokahealth.org/JFY/HPPortal>
Click on *Immunization* and then *Forms*.

Beginning the week of February 4, 2019, orders will need to be placed by Wednesday February 6th, no later than 3:00 p.m. to pick up the morning of Wednesday February 13th, 2019.

If you have questions please call the Immunization Program at 705-721-7520 Ext. 8806 or toll free at 1-877-751-7520 Ext. 8806 Monday to Friday between 8:30 am - 4:30 pm.
