

Provider Steps:

01

Escalate through your standard supply chain process

Work with your standard supply chain partners.

02

Collaborate with local partners to obtain supplies

Examples include:

- Family Health Teams
- Hospitals
- Home and Community Care
- Long-Term Care

03

Contact your Local Regional Supply Chain Lead

- Central LHIN:
Isaac.Behar@lhins.on.ca
- North Simcoe Muskoka LHIN:
Wendy.Mclaughlin@lhins.on.ca
- Central West LHIN:
Chris.Ferrao@lhins.on.ca
- Mississauga Halton LHIN:
Sandra.Gagnon@lhins.on.ca

Regional Supply Chain Lead Steps:

After escalating to your Local Regional Supply Chain Lead(s), the Leads will work with Susan Gibb, Central Regional Supply Chain Lead, and the following groups to assist with your PPE supply requests :

- Ontario Health – Central
- Regional partners
- Regional Supply Chain Table (across sectors)

Note: Please always remember to follow PPE Conversation Strategies. Please share with your local supply chain leads innovative strategies you are using so they can be shared more broadly.
