

Water bottle pick up and drop off station

1. Fill out the form completely and follow instructions for water collection
2. Deliver to lab or back to our fridge for courier pickup.
 - a. See reverse of this card for laboratory locations.

b. If dropping samples off at health unit:

- Do NOT drop off water bottles on Thursdays after 2:30 p.m. or anytime on Fridays.
- Water samples received at the lab more than 2 days after collection are too old for reliable analysis and will not be tested.
- Water bottles dropped off Mon, Tues or Wed after 2:30 p.m. will NOT be transported to the lab until the next day.
- Water sample collection times may vary for holiday closures.
