Health Care Providers (HCP) or Hospitals	❖ Talk to your HCP (i.e., doctors, pharmacists, social workers, addictions counsellors, chiropractors, massage therapists, physiotherapists, dental hygienists, dentists, nurses) about your tobacco use. ❖ Ask your HCP what supports are available for those being admitted to hospital that want to reduce or quit smoking.
Paying for your own NRT and prescription medications	❖ Talk with your HCP and ask if prescription medications such as Champix or Zyban are right for you.

Nicotine Replacement Therapy (NRT):

- Patch, gum, lozenge, inhaler, and spray.
- Available over the counter in pharmacies at a cost and does not require a prescription.

Prescription medication is also available from a Health Care Provider (doctor, nurse practitioner, pharmacist, and dentist):

- Zyban also called Bupropion (the same as Wellbutrin).
- Champix also known as Varenicline.
- Eligible people can receive the prescription drugs at no-cost.
